

Swift Roller Mower

Rigid Deck, Three Point Linkage

The Swift rigid deck roller mower delivers an exceptional quality of cut, even in the most challenging conditions.

The 60mm blade overlap combined with high blade tip speeds results in a professional cylinder mower finish, every time.

Reliability, durability and longevity are the signature qualities of the Major Swift roller mower range.

The gearbox driveline eliminates the problems associated with belt-driven mowers and the use of Strenx™ 700 MC high-strength steel, which has been galvanised to EN ISO 1461:2009 standards, result in a premium deck mower that outlives most of its competitors and holds its value.

The Swift rigid deck roller mower is engineered to achieve a pristine finish across a wide variety of situations. For increased peace of mind, these mowers come with an industry-leading 3-year MAJOR warranty.

Features

- ✓ High performance custom-designed gearboxes
- ✓ Simple height adjustment from 10-130mm
- ✓ 60mm blade overlap for an impeccable finish
- ✓ Sealed internal roller bearings for total protection against moisture, soil and debris
- ✓ Full-length rollers follow the ground contours and eliminates scalping
- ✓ Wash down hose attachment
- ✓ Optional scraper bar

“

We replaced our gang mowers with a MAJOR MJ70-190 Swift to cut the cricket clubs outfield. The spacer kit allows us to cut to 10mm or lower, which makes it incredibly versatile. It is very well built and gives an excellent cut.

Colin Spender,
North Petherton Cricket Club
